What are transport arrangements for away matches and where are the matches located?
Parents are needed to help with lifts to away games taking place in Edinburgh. Players usually make these arrangements between themselves and make their way directly to matches. The location of the match, and ideally a postcode will be provided on twitter. If the games are outside Edinburgh e.g. East Lothian or West Lothian a bus is provided which departs from the school. Players are asked to provide £2 each towards the bus to support the cost.
How do coaches communicate with pupils?
Coaches provide information for pupils at training sessions and through twitter. In the past some coaches have also set up their own additional individual arrangements for teams for example using a WhatsApp group.
