

Please see the “PUPIL GUIDE to S4/5/6 COURSE CHOICES” booklet on the school website to help you with your coursing. This sheet has to be completed prior to the coursing event and will be required in class to help you complete your course choices. There is some additional information below which does not feature in the booklet.

OTHER USEFUL INFORMATION:

- a) If you want to start studying a new subject you must get your form signed by the **Curriculum Leader of the subject** and your **Pupil Support Leader** alongside the new subject choice on your sheet overleaf. If this remains unsigned you may not be coursed into that subject during checks. REMEMBER THAT ALL S6 COURSES MUST ADD UP TO A TOTAL OF 16 OR MORE “COURSING POINTS – denoted in each choice box.
- b) If you wish to select a College Course please discuss this with your **Pupil Support Leader** and Skills Development Scotland **Careers Advisor** to ensure you have an application prepared.
- c) A **parental signature and email address** are required to show you have discussed the course choices and your parents give consent to the choices you have made. Your parents will be emailed a copy of your choices – it is your responsibility to get their email and send choices to them during the course choice process.
- d) Upon completion, **please ensure you keep this choice sheet in your bag** so it can be used during the PSE coursing event in school. We need to retain these draft sheets with parental signatures.
