

Please see the “**PUPIL GUIDE to S4/5/6 COURSE CHOICES**” booklet on the school website in the “**For Pupils > Course Choice Centre**” to help you with your coursing. This sheet must be completed prior to the coursing event and is required to complete your course choices. There is some additional information below which does not feature in the booklet.

- a) If you want to start studying a new subject (a change from S3) then you must request to with your **Pupil Support Leader** to discuss. Pupils will also need to see the **Curriculum Leader of the subject** to ensure they meet the course requirements. The CL will recommend which level you should be studying. If you do not arrange this with the PSL before picking this subject **you may not get this course in your timetable.**
- b) If you wish to select a **College Course** or participate in the **JET programme** then please discuss this with your **Pupil Support Leader** to ensure you have an application prepared. You will be supported through this process but we need to know in advance.
- c) A **parental signature and email address** are required to show you have discussed the course choices at home and your parents give consent to the choices you have made. Your parents will be emailed a copy of your choices – it is your responsibility to get their email and send choices to them during the course choice process.
- d) Upon completion, **please ensure you keep this choice sheet in your bag** so it can be passed on to your PSE teacher in school. Once your course choices are entered your Pupil Support Leader will keep your sheet with parental signatures.
