

Please see the **“PUPIL GUIDE to S4/5/6 COURSE CHOICES”** booklet on the school website in the **“For Pupils > Course Choice Centre”** to help you with your coursing. This sheet must be completed prior to the coursing event and is required to complete your course choices. There is some additional information below which does not feature in the booklet.

OTHER USEFUL INFORMATION:

- a) If you want to start studying a new subject you must discuss this with the **Curriculum Leader of the subject** and your **Pupil Support Leader**. The CL will recommend which level you should be studying. If you do not arrange this with the CL/PSL before picking this subject you may not get this course in your timetable. **Please remember that all s6 courses must add up to a total of 16 or more “coursing points”** – these points are denoted in each choice box overleaf.
- b) If you wish to select a College Course or participate in the JET programme then please discuss this with your **Pupil Support Leader** to ensure you have an application prepared.
- c) A **parental signature and email address** are required to show you have discussed the course choices at home and your parents give consent to the choices you have made. Your parents will be emailed a copy of your choices – it is your responsibility to get their email and send choices to them during the course choice process.
- d) Upon completion, **please ensure you keep this choice sheet in your bag** so it can be passed on to your PSE teacher in school. Once your course choices are entered your Pupil Support Leader will keep your sheet with parental signatures.
