Please make a first choice and a second choice of expedition as it will increase your chances of getting a place.
Please keep a copy/photo of this option sheet once you have completed it for your own records.

Please return this sheet to the Outdoor Base in the school basement and pay the initial deposit of £100 (+ Parent Pay fee) online at any time before Friday 10th January. Sorry...No cash or cheques accepted. If I am not in the Base put your Option sheet (with name and reg class on it!) under the door.

Places will be offered to participants based on if a completed option sheet and deposit have been returned on time and on evidence posted online by participants for their Volunteering, Physical and Skill sections as explained in the General Information letter and in the Expedition Programme Letter.
