Head Teacher's Welcome

Trinity Academy is a highly successful school with an ethos of "only the best will do, in all that we do!" Since taking up my post in 2015, I have been overwhelmed by the support of colleagues, parents and the wider community as we seek to deliver the best possible outcomes for all our children.

Tonight's ceremony celebrates achievement and academic excellence; the best of the best! Such has been the sheer number receiving commendations from their teachers that we are holding three assemblies over the coming weeks, to present further certificates to our wonderful students.

I hope you have a great evening celebrating your child's success.

Bryan Paterson
