

Uniform Policy – For August 2022

We have a gender-neutral Uniform Policy at Trinity Academy. It is equal for all pupils and is compliant with the Equality Act 2010.

This Act sets out rights which include legal protection from discrimination to any of the nine protected characteristics: disability; race; sex (gender); pregnancy/maternity; religion/belief; sexual orientation; gender re-assignment; age; marriage/civil partnership.

This gender-neutral policy is inclusive of all gender diverse young people and we will take action to prevent any discrimination towards any of our pupils.
