

Please see the **“PUPIL GUIDE to S4/5/6 COURSE CHOICES”** booklet on the school website in the **“For Pupils > Course Choice Centre”** to help you with your coursing. This sheet must be completed prior to the coursing event and is required to complete your course choices. There is some additional information below which does not feature in the booklet.

a) If you want to **start studying a new subject (not previously studied in S4)** then you **must discuss** with your **Pupil Support Leader** during your 1:1 interview. Pupils will also need to see the **Curriculum Leader of the subject** to ensure they meet the course entry requirements. The CL will recommend which level you should be studying and countersign this sheet. If you do not arrange this with the PSL before picking this subject, **you may not get this course in your timetable.**

b) If you wish to select a **School College Partnership (SCP) Course** or start a **two-year Foundation Apprenticeship course**, then please discuss this with your **Pupil Support Leader** to ensure you have an application prepared. You will be supported through this process, but we need to know in advance. College should **not be marked** as **1-5**, please use **R**.

c) A **parental signature and email address** is required to show you have discussed the course choices at home and your parents give consent to the choices you have made. Your parents will also be emailed a copy of your choices – it is your responsibility to make their email available to Pupil Support Leaders so that a summary of your choices can be emailed to them during the course choice process.

d) Once your course choices are entered your Pupil Support Leader will keep your sheet with parental signatures.
