

Please see the “PUPIL GUIDE to S3 COURSE CHOICES” booklet on the school website to help you with your coursing. This sheet must be completed before you can enter your course choices with your Pupil Support Leader. There is some additional information below which does not feature in the booklet:

- a) In S3 there are 3x compulsory subjects: **Maths, English** and **Modern Languages (French & Spanish)**. The Curriculum Leader in each department will assign you a class that is appropriate for your level. This will be based upon your progress in S2.
- b) In S3 you must select one subject from each of the remaining curricular strands. The curricular strands are: **Expressive Arts, Social Subjects, Sciences** and **Technologies**. You will also be given the opportunity to select a “free choice” subject. This will give you **8x subjects in S3**.
- c) A **parental signature and email address** is required to show you have discussed the course choices at home and your parents give consent to the choices you have made. Your parents will also be emailed a copy of your choices – it is your responsibility to make their email available to Pupil Support Leaders so that a summary of your choices can be emailed to them during the course choice process.
- d) Once your course choices are entered your Pupil Support Leader will keep your sheet with parental signatures.
